Indeed, the time-tested potty training technique revealed in this book is...

PROVEN: This is the very same method that I used to potty train my son, and it's been used successfully by my own friends and family members.

FAST: With this method, you'll have your son or daughter potty trained in as little as a FEW HOURS. Start by 9AM, and you'll be done by lunchtime! And in those rare cases that take a little longer, you'll be done before dinner.

FUN: This method promotes play and bonding between you and your toddler. In fact, you're going to make a GAME out of potty training! As opposed to tears and screaming, there will be real laughter and precious smiles!

EASY: This method is VERY SIMPLE. You will know EXACTLY what to do in less than 30 minutes, and your little one will follow right along - without doubt! It just doesn't get any easier!

CHEAP: You won't need any fancy tools or props! In fact, you probably already have everything you need right at home. And as for the cost of this book? It's ridiculously CHEAP! (How does LESS THAN TEN BUCKS grab you?)
